SCHOOL EQUIPMENT COSTS ABOUT \$10,000

Keen Bidding Saves \$2,000 From Original Estimate — Local Firm Among Winners

Contracts were let for furnishings and supplies for the new Madison High School building by the City Board of Education Friday, after several days' consideration and examination of all bids. An unusually large number of companies were represented, bidding on the various outfits that will be installed. An extensive line of samples was displayed in the gymnasium and the entire Board, together with members of the Citizens' Committee, met all day Thursday and Friday examining the various displays. The Board members and the committee believe they were able to secure these furnishings from bids at an exceptional low figure, which approximated something around \$10,000 which was \$2,000 less than the original estimate in the School Board's budget.

There were something like a dozen companies from all parts of the country bidding on the various articles to be installed and those which were successful included the following:

Item No. 1—350 pupils' desks, American Seating Co., \$4.37 each installed.

COMBS AGAIN STARS FOR THE COLONELS

Earl Combs, who has been hitting consistently every day, distinguished himself again in the game against Columbus Friday. The Louisville Herald says of the Richmond boy's work:

"The performance of Earl Combs was the outstanding feature of the game. He made two brilliant catches in the field and started two rallies which resulted in the Colonels' registering their first two runs. Both of his catches were made in the fourth inning. Sullivan, first up, sent a long foul fly down the leftfield line and Earl just managed to get it by reaching far over to his right. Paskert singled to right. Combs came over behind second base for Burris' fly, depriving the visiting first baseman of an almost certain hit. Combs took the ball between his knees and ankles.

Earl drew the attention of the spare audience to himself in the Colonels' half of the first inning. Massey had grounded out to Burris, unassisted, and Ballenger lifted a looper to Sullivan. The fans greeted Combs as he came to the plate, remembering his inspiring play in Thursday's game. Earl responded with a solid double down the left field line and he scored a moment later on Kirke's single to center. Earl came thru again in the third inning. Ballenger fled to Murphy to open the stanza. Earl singled to right. Kirke fled to Paskert, but Ellis was safe when Davis muffed up his grounder. Combs going to second. Bill Meyer plated Earl with a left field single.

Those in the house just had time to get out and were unable to save a thing except the clothes they wore. Mr. and Mrs. Beasley and three children had driven to town. The eldest daughter and two boys were at home. The girl lighted a lamp and put it in a front room and returned to the kitchen. In a few minutes a loud noise was heard. When they reached the front of the house everything was ablaze. Evidently the lamp had exploded, and the oil from it caused everything to catch fire immediately. The children had only time to escape and were unable to save any furniture. There was no insurance. The house is on H. B. Hanger's farm.

BAD MAN BREAKS LOOSE AT BRODHEAD

The Brodhead correspondent of the Stanford Journal had this of interest Friday:

Quite a little excitement reigned in our little city Sunday morning when Prof. J. L. Pilkenton, with several other citizens were discussing the railroad strike on the streets, in front of the Citizens Bank, when a fellow named Mink, who recently moved here from Harlan county, and considered a "bad man," became infuriated over some remarks of Mr. Pilkenton, striking at him with an open knife, missing Mr. Pilkenton, but inflicting a deep cut across the hand of his little 2-year-old granddaughter, Bonnie Castle Sowder, whom he was holding in his arms. J. W. Tate, who interfered, had his shirt torn off him by Mink. An artery was cut in the little girl's hand. She was taken to the office of Drs. Owen and Carter, where it was found necessary to take several stitches. Mink escaped and soon a posse of some twenty or thirty citizens was formed and searched the surrounding woods in the direction he was seen to leave. A heavy rain storm which came about noon, drove the searchers in and as yet the only trace of his whereabouts was that he was seen Sunday afternoon on the Somerset road, near what is known as "Turkeytown." It seems that Mink held a grudge against Prof. Pilkenton, because he had punished Mink's boy while in school last fall, and he took this means of getting even.

The 14-month-old child of Mr. and Mrs. James Brock, of Copper Creek, died Saturday three miles from Berea as they were taking the little one to see a doctor, and was buried here Tuesday morning. The burial was to occur Sunday afternoon but on account of the heavy rain which fell Sunday and Monday they were unable to cross the river until Tuesday.

She immediately notified Dr. Kidwell to come to her home in Berea and says after she had taken 3 adjustments she was able to leave her bed and come to Richmond. Since taking treatment here she is now able to walk around and eats three meals every day. She is a firm believer in the Chiropractor and testifies he has done much in curing her of the suffering she has gone thru recently.

CHAUTAUQUA IS VERY PLEASING

Everyone is thoroughly pleased with the entire Chautauqua program this year. The lectures are, without exception, the most brilliant heard on any program. They have been given by men who are educators, writers and scholars. Friday night the music by Iren Stofolsky and assisting artists, was beautiful and pleased the entire audience. Miss Stofolsky is a brilliant violinist and her support was excellent.

Sidney Landon, who gave his impersonations of great literary men Friday night, is one of the most striking entertainers on this circuit. He is a humorist and scholar with a pleasing personality and offered an interesting program to his Richmond audience.

Saturday will prove of great interest to all women, for the program features Miss Evelyn Hansen, who gives a unique lecture-demonstration "Well Dressed on a Moderate Income." Miss Hansen has several models with her to make her lecture more interesting and impressive. She is an authority on dress.

Tonight Rupert Hughes' famous play "Turn to the Right," will be given with an excellent cast in which is included some of the original New York cast.

As is the usual custom here the Sunday evening union services will be held in the Chautauqua tent. Dr. W. O. Sadler, of the Methodist church, will bring the message of the evening. All the choirs of the city are invited to join in this service, which will be at 7:30.

A BUSINESS COUPE FOR BUSINESS MEN

This car represents a new and important achievement in commercial transportation.

For the first time in motor car history, business men are enabled to buy a closed car, the body of which is built throughout of steel.

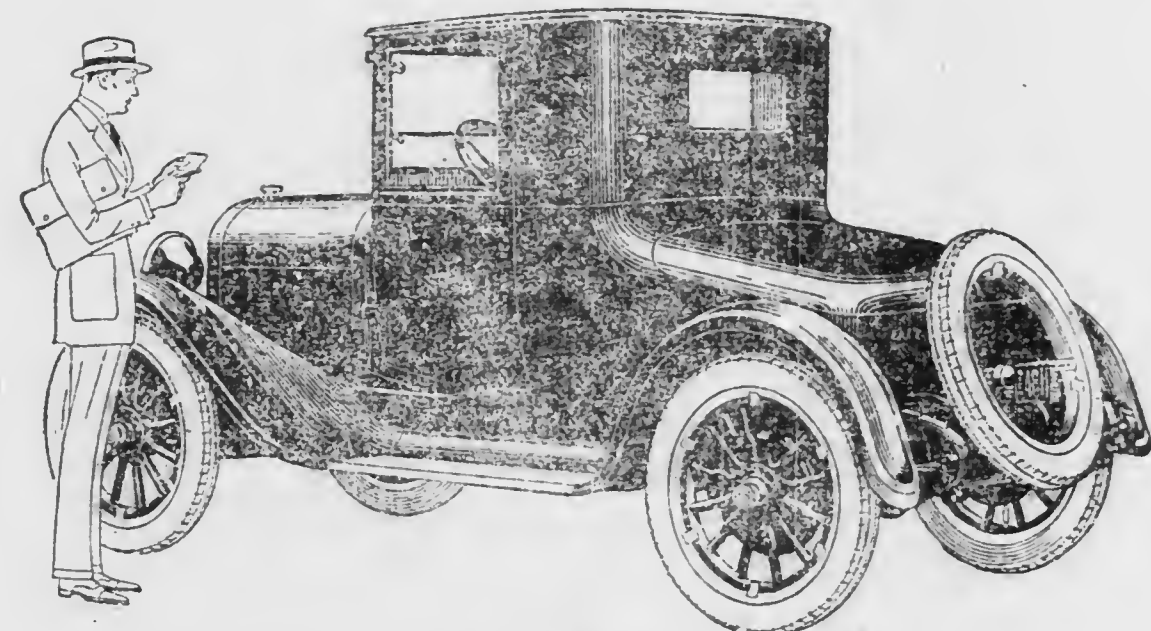

The advantages of this all-steel construction—reserved until now to open cars—are particularly marked in a coupe built to weather the wear and tear of hard commercial usage.

Immediately you will be impressed with the beauty and lightness of this coupe. Time will convince you of its unusual stamina. The doors snap neatly shut. Body squeaks are eliminated. Dodge Brothers enamel is baked on the surface of the steel—a permanent lustrous finish, impervious to wear.

The interior is roomy and thoughtfully equipped with every appointment necessary to the owner's comfort and all-weather protection.

Business houses that equip their salesmen with motor cars have been quick to recognize in this coupe a very unusual investment.

DE GARMO MEETING

Although the congregation was not quite as large as usual last night, the service was the best yet. The spirit of the meeting is growing with each service and last night's service was a "mountain-top" experience for every christian there.

The service last night was as follows:

The evangelist read for a scripture lesson John 3:1-23. He used as his texts from the reading part of verse one and two, verse 9 and 17, showing the three reasons why Nicodemus came to Jesus by night. First, because it was not popular. Same reason many do not come now. Second, he said how can these things be? After all that has been preached on the new birth, since Jesus talked to Nicodemus, people are still stumbling over it. The simplicity of the gospel is the stumbling block to man. They want to do something to merit eternal life and Jesus said "I give unto them eternal life."

Third, if Christ did not come to condemn us then we will all be saved, but if you read verse 18 it says we are already condemned so we need not condemnation, but a Savior.

At the close of the service an invitation was given, two responding. After the service another came saying she, too, would accept the invitation. She will make her public confession at some subsequent service. A great thing happened in the service last night that we are not ready yet to give to the public. Probably the rarest hour that has ever come to Richmond came in our service. More will be given to the paper about this event later.

Rev. DeGarmo will preach three times Sunday. At 11 a. m. his subject will be "The Resurrection." At 7:30 he will preach on "How Abraham Was Saved." Then at 3:30 p. m. there will be a mass meeting at the church. The evangelist will preach on "Heaven." This is one of his greatest sermons. In it he will answer by the Bible such questions as will we know each other in heaven? do we go to heaven at death or do we sleep in the grave? Everybody is invited to hear this great message and especially is every member of the church urged to be there.

There will be no day service on Monday, but at 7:30 Monday the evangelist will preach on "The Royal Court of Condemnation." This is a court scene. Then the

PAINT LICK

The good people of this vicinity know how and do entertain on occasions of this character. The pupils of the Baptist Sunday school had a picnic on the ground and this made it thoroughly enjoyable.

Mr. Geoffrey Morgan spoke here Saturday in the interest of the Farm Bureau and was greeted by a large audience, many of whom signed as members. He is much encouraged with the prospects for a Farm Bureau in Garrard and also pleased with the progressive farmers he meets.

While shoeing a mule Monday morning, Mr. Noland, the blacksmith, was knocked over by the mule under the feet of some other mules and was badly hurt. He was cut about the head and several stitches had to be taken. The wounds were dressed and bandaged and he is getting along very nicely.

Paint Lick entertained about 1,000 people or more in her little city Tuesday, celebrating the glorious Fourth, with picnic, baseball games, tennis matches, etc. The games scheduled between Paint Lick and Blue Lick began at 10 o'clock, resulting in a score of 11 to 10 in favor of the home team. It was hotly contested and evenly matched. The afternoon game resulted in defeat for Paint Lick by a score of 13 to 9.

During the day a warmly contested game was pulled off between Marksburg and Back Creek, which resulted in a tie, and owing to the time being short, the game had to be called.

Miss Rebecca Bowling and Mr. Alex Hall were married in Richmond Saturday afternoon. They will make their home with Mr. and Mrs. Wesley Sebastian at Hyattsville.

DAUGHTER HAD TO HELP MOTHER

Now Can Do All Her Housework Alone Because Lydia E. Pinkham's Vegetable Compound Helped Her

Jasper, Minn. — "I saw in the paper about Lydia E. Pinkham's Vegetable Compound and took it because I was having such pains in my stomach and through my back that I could not do my work. I had tried other medicines, but none did me the good that your Vegetable Compound did. Now I am able to do all my work alone while before I had my daughter staying at home to do it. I have told a number of friends what it has done for me and give you permission to use my letter as a testimonial."—Mrs. JESSE PETERSEN, Route 1, Jasper, Minn.

There is no better reason for your trying Lydia E. Pinkham's Vegetable Compound than this—it has helped other women. So if you suffer from displacements, irregularities, backache, nervousness or are passing through the Change of Life remember this splendid medicine. What it did for Mrs. Petersen it may do for you.

The Vegetable Compound stands upon a foundation of nearly fifty years of service.

Thomson, representing the Consolidated Dressed Beef Company, of Philadelphia, the past few days purchased 41 head of extra good cattle, weighing about 1,400 pounds, from Chas. E. TY COBB MAKING HIS DRIVE IN A. L.

(By Associated Press)

Chicago, July 8—Tyrus Raymond Cobb today is making his bid for the batting leadership of the American League, with the prospects of giving George Sisler, the St. Louis star, a desperate fight.

Within a week, the noted Georgian batted his way from sixth to second place in the list of leaders for an average of .391, just 24 points above his mark of a week ago. The Detroit leader's remarkable batting resulted in slashing out seventeen hits in his last seven games, while the best Sisler could do was nine in five games. Sisler, however, is entrenched in the lead with an average of .430. The figures include games of Wednesday.

Kenneth Williams smashed out his 20th home run and is being trailed by Walker, of Philadelphia, the runner-up, with 17. Ruth, Heilman, of Detroit, and Miller, of Philadelphia, each has connected with 13.

Other leading batters for 50 or more games: Heilman, Detroit, .366; Speaker, Cleveland, .366; Witt, New York, .357; O'Neill, Cleveland, .356; Blue, Detroit, .354; Schang, New York, .350; Miller, Philadelphia, .349; Bassler, Detroit, .345; McManus, St. Louis, .339.

A streak of consistent hitting has placed Lamar of Toledo, as a contender for the batting leadership of the American Association. Lamar, fourth in the list a week ago, batted his way into second place by smashing out 9 hits in his last seven games giving him an average of .368. Myatt, of Milwaukee, with an average of .390, continues to lead the race, however, with Brown, of Indianapolis, third with .364. The averages include games of Wednesday.

Mrs. Owens was loved by all who knew her. She had a loving, kind and sympathetic disposition which was evidenced by her taking an orphan child to rear when she was not especially able to do so. To the little orphan and to the entire family who are bereaved at this sad hour, we extend heartfelt sympathy.

Funeral services will be held Monday, July 11, at the First Baptist church of which she was a native member. Revs. J. W. Broadus, Eli Yates and W. D. Thompson will be in charge of the services.
